Plate board for ball unit to gravity box conveyor

Sheet metal for ball tables for roller coasters. We manufacture a sheet such as can be mounted in any of our runways. You choose the c / c dimension, normally the minimum width of the goods is divided by three. If you want to use the plate elsewhere than in our runways, you must also specify how the plate is to be mounted. NOTE! The ball rollers and clips are not included but ordered separately!

Image may differ from the actual product.\*

## SPECIFICATIONS

|                |    |
|----------------|----|
| ESD            | No |
| Stainless      | No |
| Wheels         | No |
| Heat Resistant | No |
| Fixed          | No |
| Product Weight | 0  |
